

REMARKS

Applicants' attorney thanks Examiner Fernstrom for the Office Action mailed June 29, 2006. More particularly, the Examiner has requested an election under 35 U.S.C. §121 between the following inventions:

- | | | |
|----------|---|--|
| Group I | - | Claims 1-14 drawn to a panel assembly with a snap fit frame; and |
| Group II | - | Claims 15-23 drawn to a panel assembly having a storage pocket. |

In response to the Examiner's request, applicants hereby elect Group I (i.e., Claims 1-14) for further prosecution herein. Although this election is made without traverse, applicants hereby reserve the right to file a divisional application directed to the non-elected invention. The claims directed to the non-elected invention (i.e., Claims 15-23) have been cancelled.

In view of the foregoing election, examination on the merits is respectfully requested.

Should there remain any questions or other matters whose resolution could be advanced by a telephone call, the Examiner is cordially invited to contact the undersigned attorney at his number below.

No fees are believed to be due in connection with the submittal of this Election and Amendment. If any such fees are due, including extension fees, the Examiner is authorized to charge them to Deposit Account No. 503571.

Respectfully submitted,
